Step 1 Purchase Credits

Stock up on report credits whenever you need them, at a very affordable price. They never expire, so you can use them flexibly at any time.

Step 2 Invite Your Clients

Share personality assessment links with your clients. They can complete it at their own pace from any device, with no pressure or time limits.

Step 3 Get Results

As soon as your client finishes, they'll get instant access to their report. You'll have rich, meaningful insights ready for your next session together.

Who Uses Our Reports?

Perfect for professionals helping clients gain deeper self-understanding.

Career Coaches

Guide career transitions and development with detailed analysis of natural strengths and professional paths.

Therapists

Support your clients' personal growth journey with rich insights into their core traits and challenges.

Leadership Consultants

Help leaders understand their management style and impact on team dynamics.

Student Advisors

Help students leverage their natural learning style and strengths for better academic success.
